

CERTIFICATE OF ESCMID GLOBAL 2026 ORAL ABSTRACT PRESENTATION

This certificate hereby confirms that the below abstract was submitted, accepted and presented at ESCMID Global 2026, the 36th Congress of the European Society of Clinical Microbiology and Infectious Diseases, which took place in Munich, Germany and online from 17-21 April 2026.

Title:

Democratising MALDI-TOF AMR prediction: from Transformers to simple Neural Networks without accuracy loss, reducing energy costs via knowledge distillation

Abstract number:

2968/O0970

Session title:

Transforming diagnostic microbiology with AI

Session date and time:

21/04/2026, 13:30 CEST

Presenting author:

Alejandro Guerrero-López

Co-authors and affiliation:

Lucía De Ancos Villa (1), Alejandro Guerrero-López (2).
